

St. Paul June Newsletter

Message from the Principal & Vice Principal

Another busy school year is coming to an end. We hope that despite all of the safety procedures and restrictions, your children were able to find some joy in being at school this year. It has been a challenge for everyone, from students adapting to new ways of learning as well as sanitary measures, daycare educators working on the front lines in emergency daycares, support staff taking on all of the additional tasks related to the pandemic and teachers having to reinvent how they teach and evaluate their students, it has been one for the books! Thank you to everyone for your collaboration as we navigated these uncharted waters together.

School Fees

You will receive the statements of account in August for the payment of school fees. Please note that you will receive a first statement for the **school fees only** and the second statement, which will be sent in October will include the addition of lunch supervision fees (\$286.63). In order to allow you to budget over the summer months, please take note of the fees that will be charges by level:

Grade Level	School Fees
K4 (PreK)	\$41.52
K5 (Kdg)	\$42.14
Grade 1	\$68.04
Grade 2	\$69.00
Grade 3	\$58.02
Grade 4	\$59.82
Grade 5	\$70.05
Grade 6	\$69.24

Please do not pay anything until you receive your child's statement of account, as amounts are subject to change.

Rocks Wanted

If you own a landscaping company or know someone who does, we are looking for a donation of 550 fist-sized rocks for a decorative project like the one pictured below. Please contact Mrs. Venieris if you have any leads on this type of rock.

June Fun Treats

The PPO, Administration and staff are organizing a variety of fun treats throughout the month of June. Please pay close attention to the **June calendar** to ensure that your child doesn't miss out. All activities will be organized while respecting class bubbles and sanitary measures in place.
